EVEN MORE ROOM FOR PERSONAL EXPRESSION.

The interior of your BMW is, above all, a place where you can give full expression to your personal wishes and ideas. Thanks to Original BMW Accessories, this includes the vehicle's interior equipment, which can be chosen to perfectly match your own lifestyle. And one principle always stays the same – get in, take your seat, and enjoy.

In focus: Travel & Comfort system

The success of this system is down to the base carrier, which is mounted between the front-seat headrest bars. It can be used as a platform for easily and securely attaching items including a folding table with a cupholder, a clothes hanger, a universal hook and holders for Apple and Samsung tablets.

1 Travel rug

Whether it's to keep you warm or simply something to cosy up to, this travel rug in beige/dark brown offers all the versatility you need. It also elegantly underscores the luxurious atmosphere in the vehicle. Made in 100% high-quality, extra-fine merino wool and with a jacquard weave.

2 BMW Display Key case

This custom-fit case in high-quality Black Nappa leather reliably protects the BMW Display Key from dirt and scratches

3 + 4 Key case

The key case in high-quality leather is firmly attached to the key by means of an elegant steel clasp. It protects against scratches, dirt and moisture and prevents buttons from accidentally being pressed. It is available in different styles and various colour combinations, depending on model.

5 BMW Natural Air

This comprises an adjustable holder, which attaches to the ventilation grille of the vehicle, and six interchangeable fragrance sticks. The fragrances Purifying Green Tea, Energizing Tonic, Balancing Amber, Vitalizing Woods, Harmonizing Flowers and Sparkling Raindrops can be selected as desired.

6 BMW child seats

For the highest levels of safety and comfort for children from 0 to around 12 years old (approx. 36 kg) They feature patented airpads for increased impact protection for the head area and, thanks to extensive crash tests, meet the high safety standards of BMW, above and beyond the legal requirements. The award-winning design of the child seats is a perfect match for the BMW interior and they are available in black/blue or black/Anthracite.

Simply scan the QR code to watch a video that describes the features and functions of the BMW child seats.

7 + 8 All-weather floor mats

The precisely fitting, hard-wearing all-weather mats with their raised bordering and elegant design not only protect the footwells from damp and dirt, but also prevent feet from getting wet. They are available in black for the BMW 6 Series and black or beige, including a high-quality chrome insert in the form of the number 7, for the BMW 7 Series.

9 Ambient Air interior fragrance concept

This offers an exclusive fragrance experience inside the vehicle. There is a wide range of soothing, carefully composed fragrances to choose from. Fragrance cartridges are simply inserted into a special dispenser in the glove compartment. The intensity of the fragrance is easy to regulate using the iDrive Controller.

ALL THE RIGHT CONNECTIONS.

Informed, entertained, connected: when you take your seat in your BMW, you can explore the seemingly limitless possibilities of a networked world. Original BMW Accessories for communication and information present a wealth of clever ideas and solutions that make this experience even more convenient and individual.

1 BMW Bluetooth headset

This headset is easy to connect to a mobile phone and can be operated intuitively. The latest electronics filter out background noise and ensures outstanding sound quality. Comfort is ensured thanks to silicon ear buds available in three sizes as well as an additional ear loop.

2 Snap-in adapter

Various snap-in adapters are available for many current mobile phones. They can be used for making calls, charging, connecting to the aerial and for docking phones.

3 + 4 Wireless charging dock

This makes it easy to wirelessly charge the Apple iPhone 5, 5s, 6 or 6 Plus. It has a pleasant soft-touch surface, an attractive BMW design and is compatible with all BMW wireless charging products and other Qi-certified chargers.

YOUR BMW – AS FLEXIBLE AS YOU ARE.

Some discoveries are hundreds of kilometres away. Others are a lot closer than you may think. Take, for instance, Original BMW Accessories for transport and the luggage compartment. These offer superb functionality and flexibility to make sure you always reach your destination in comfort – near or far.

In focus: BMW roof boxes

The contemporary boxes fit all BMW roof carrier systems and feature a two-sided opening system with triple central locking. Available in three sizes: 320, 350 or 460 litres and several colour combinations.

1 BMW rear cycle holder

The BMW rear cycle holder is designed to withstand high dynamic stresses. Thanks to a tilting function, it also permits easy access to the luggage compartment at all times. When not in use, it folds up into a compact and convenient size. It can be used for two bicycles/e-bikes. For selected models, a separately available extension can be used for transporting a third bike.

2 Touring cycle holder, lockable

The lockable touring cycle holder is made from high-strength aluminium and enables the safe transport of a racing, touring or children's bicycle or a mountain bike. Bicycles weighing up to max. of 22.5kg can be attached with an easy-to-use clamping system.

3 Racing cycle holder, lockable

The lockable racing cycle holder enables the secure transport of racing bikes with the quick-release wheel system. It is made of high-strength aluminium and features a simple clamping method for attaching the bicycles. A separate front wheel holder is also available.

4 Travel set

This comprises a cabin-size trolley and a carry-on bag, which can be used to create extra storage space on the rear seat. The pieces of luggage can be transported individually or stacked together. They are held in place using the seatbelt and feature their own anti-theft locks.

5 Universal rear seat protector

This helps to prevent soiling of the rear seats. Thanks to strategically placed recesses for safety belts and buckles, it's the perfect accessory when travelling with dogs, for example.

6 + 7 Luggage compartment mat, fitted

This custom-fit, anti-slip and durable mat with raised edging on all sides protects the luggage compartment from dirt and moisture. It comes in black and, exclusively for the BMW 7 Series, features an integrated "7" in chrome.

7 Loading sill mat

The durable mat protects the loading sill during loading and unloading and the luggage compartment from scratches and dirt. It is attached using moveable velcro strips on the rear fastening points in the luggage compartment. It can also be used as an anti-slip mat in the luggage compartment.

7 Folding box

The folding box, with its load capacity of up to 20kg, is perfect for smaller items or for use as a shopping crate. It can be easily folded and unfolded thanks to Velcro strips, is slip-resistant and can be easily stored to save space when not in use. Available in black, black/red and black/beige.
